MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter "Agreement") is entered into by the City and County of San Francisco (hereinafter "City") and the International Federation of Professional and Technical Engineers, Local 21, AFL-CIO-CLC (hereinafter "Union"). It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City, the Union, and represented employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.

ARTICLE I: REPRESENTATION

I.A. RECOGNITION

1. The City recognizes the Union as the exclusive bargaining representative for all employees of the City in those units listed Appendix "A" of this Agreement. The terms and conditions of this Agreement shall also be automatically applicable to any classification for which the Union has become appropriately recognized during the term of this Agreement.
 1. Successor Representation
2. The City agrees to recognize the Union as the collective bargaining representative of any classification that constitutes a successor classification to a classification that the Union currently represents. Subject to applicable appellate review procedures, the Department of Human Resources shall make the final determination when there is a question as to whether or not a new classification is a successor class.
 2. Unit Assignment Resolution
3. For any classifications assigned to bargaining units represented by Local 21 as a result of the settlement of the unit assignment dispute between the City, Local 21 and MEA, the City agrees to meet and confer with Local 21 over subjects within the scope of bargaining and covered by Charter Section A8.409. Any issues that are not resolved through the meet and confer process shall be resolved through arbitration. Any economic benefits shall be implemented at the start of the succeeding fiscal year.
4. The City makes no commitment or promise of wage or benefit improvement with regard to such negotiations.

I.B. NO WORK STOPPAGES

5. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union will not authorize or engage in any strike, slowdown or work stoppage. It shall not be a violation of this Agreement for an employee to honor a primary picket line sanctioned by the Central Labor Council or the Building and Construction Trades Council; provided however, that an employee shall first notify an appropriate supervisor of the employee's intended actions. Provided further that nothing in this Section shall limit the City's right to enforce the provisions of Section 8.346 of the Charter.

ARTICLE I - REPRESENTATION

I.C. MANAGEMENT RIGHTS

6. Except as otherwise provided in this Agreement, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.
7. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public, and exercise control and discretion over the City's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment specified in this Agreement.

I.D. UNION/CITY COMMITTEES

1. Union/City Relations Committee
 8. The parties hereby agree to establish a Union/City Relations Committee with equal representation from both the City and the Union.
 9. The Union/City Relations Committee shall meet at a minimum on a quarterly basis, and in addition, as needed to address matters the parties agree are of mutual concern which arise during the course of this Agreement. By mutual agreement, the Committee may discuss grievance matters subject to arbitration.
 10. The Committee is specifically empowered to establish such sub-committees as may be needed to consider and recommend solutions to workplace issues and concerns.
2. Joint Government Efficiency Committee
 11. A joint Mayor's Office/Local 21 committee, established in 2002-2003 to study government efficiencies including those related to personal services contracts, shall continue for the duration of this Agreement and shall meet monthly or as otherwise agreed to by the parties.
3. Internal Placement Committee
 12. A joint DHR/Local 21 committee shall be created for the duration of this agreement and shall meet monthly, or as otherwise agreed to by the parties, to review scheduled and anticipated displacements and to review reappointment and alternative internal placement plans and options.

ARTICLE I - REPRESENTATION

4. Union/City Partnership

13. No later than July 31, 2004, the City and the Union shall convene a Union/City Partnership ("UCP") to work together to develop one or more initiatives to reduce costs, improve efficiency, increase service quality, enhance employee job satisfaction, and share any resulting gains. The UCP shall include representatives from City departments, the Mayor's Office, the Controller, and the Union.
14. The objective of the UCP shall be to identify best practices, methods and processes to enhance the effectiveness and efficiency of work groups and work processes and to reduce costs and improve services. These improvements shall be the foundation for the UCP to develop parameters and guidelines for a gainsharing program.
15. The UCP shall identify one or more City departments, divisions and/or programs where the UCP can (1) evaluate the effectiveness and efficiency of work groups and processes; (2) identify best practices and methods to reduce costs and improve efficiency in the delivery of services; and (3) determine mechanisms for gain sharing. The UCP shall coordinate with SFStat in selecting appropriate City departments, divisions and/or programs for evaluation, developing metrics, and ensuring consistency with Citywide service and budgetary priorities and objectives.
16. No later than July 15, 2004, the UCP shall select and retain a third party with expertise in labor management partnerships and initiatives to assist the parties to forge their partnership and for any other purposes as determined by the UCP. The City shall make every effort to expedite the contract process. The City agrees to fund \$25,000 in start-up costs for the third party expert services.
17. No later than March 1, 2005, the UCP shall make a written report to the Mayor recommending one or more proposals for initiatives and improvements, including implementation plans and any gain sharing components, within the City departments, divisions and/or programs evaluated by the UCP. No later than June 1, 2005, the City shall adopt, and the UCP shall implement, the UCP's proposals.

I.E. GRIEVANCE PROCEDURES

18. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.
 1. Definition
19. A grievance is defined as an allegation by an employee, a group of employees or the Union that the City has violated, misapplied or misinterpreted a term or

ARTICLE I - REPRESENTATION

condition of employment provided in this Agreement, or divisional, departmental or City rules, policies or procedures subject to the scope of bargaining as set forth in Section VI.A. of this Agreement.

A grievance does not include the following:

20. a. All civil service rules excluded pursuant to Section VI.A.
21. b. Performance evaluations, provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the performance evaluation except by mutual agreement.
22. In the event of an unfavorable performance rating, the employee shall be entitled to a performance review conference with the author and the reviewer of the performance evaluation. The employee shall be entitled to Union representation at said conference.
23. c. Written reprimands, provided however, that employees shall be entitled to append a written rebuttal to any written reprimand. The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the reprimand.

2. Time Limits

24. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing. A "working day" is defined as any Monday through Friday, excluding legal holidays granted by the City and County of San Francisco.

3. Steps of the Procedure

25. A grievance shall be filed at the lowest step in the grievance procedure in which the City's representative would have the authority to make a final and binding resolution of the grievance, provided, however, that a grievance may not be filed at a Step higher than Step 3, except by mutual agreement of the parties. In the event a grievance is filed at a Step in the grievance procedure which the City deems inappropriate, the City's representative with whom the grievance was filed shall remand the grievance to the appropriate Step.
26. A grievance arising from a final disciplinary decision shall be initiated at the Arbitration Step of this grievance procedure. Such grievance may only be filed by the Union.

ARTICLE I - REPRESENTATION

27. Step 1: An employee shall discuss the grievance informally with his/her immediate supervisor as soon as possible but in no case later than twenty (20) working days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved. The grievant may have a Union representative present.
28. If the grievance is not resolved within five (5) working days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the immediate supervisor. The grievance will set forth the facts of the grievance, the terms and conditions of employment claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the grievant.
29. The immediate supervisor shall respond in writing within seven (7) working days following receipt of the written grievance.
30. Step 2: A grievant dissatisfied with the immediate supervisor's response at Step 1 may appeal to the intermediate supervisor, in writing, within seven (7) working days of receipt of the Step 1 answer. The intermediate supervisor will convene a grievance meeting within ten (10) working days of receipt of the appeal to discuss the grievance with the grievant and/or the grievant's Union representative. Within ten (10) working days following the meeting the intermediate supervisor will respond in writing to the grievance.
31. Step 3: A grievant dissatisfied with the intermediate supervisor's response at Step 2 may appeal to the Appointing Officer, in writing, within ten (10) working days of receipt of the Step 2 answer. The Appointing Officer may convene a meeting within ten (10) working days of the appeal with the grievant and/or the grievant's Union representative. The Appointing Officer shall respond in writing within fifteen (15) working days of the hearing or receipt of the grievance, whichever is later.
32. Step 4: If the Union is dissatisfied with the Appointing Officer's response at Step 3, the Union may appeal to the Director, Employee Relations, in writing, within fifteen (15) working days of receipt of the Step 3 answer. The Director may convene a grievance meeting within ten (10) working days of the appeal with the grievant and/or the grievant's Union. The Director shall respond to the grievance in writing within ten (10) working days of the meeting or, if none is held, within ten (10) working days of receipt of the appeal.

ARTICLE I - REPRESENTATION

4. Arbitration

33. If the Union is dissatisfied with the Step 4 answer it may appeal by notifying the Director, Employee Relations, in writing, within twenty (20) working days of the 4th Step decision that arbitration is being invoked.

5. Selection of the Arbitrator

34. a. The parties shall establish a list of seven (7) arbitrators to serve as the permanent panel to hear grievances arising under the terms of this Agreement. In the event the parties cannot agree on the panel within thirty (30) days following the effective date of this Agreement, either party may obtain a panel through the appointment process of the American Arbitration Association. Provided, however, that an arbitrator may be removed from the panel by mutual consent at any time. Replacements, in the absence of mutual agreement, shall be made by American Arbitration Association appointment.
35. b. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within five (5) working days the arbitrator shall be selected from the permanent panel in accordance with the following procedure:
36. 1.) Arbitrators shall be listed in alphabetical order. The case shall be assigned to the next arbitrator listed in alphabetical order, provided however that each party shall be entitled to one strike.
37. 2.) The arbitrator next in order following any strike options exercised by the parties shall be designated to hear the case.
38. 3.) In the event that either party strikes an arbitrator's name from the list in accordance with this section, the struck arbitrator's name shall be placed at the bottom of the list. Once struck, the same party may not again strike that arbitrator's name until that arbitrator has been selected.

6. Authority of the Arbitrator

39. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

7. Fees and Expenses of Arbitrator

40. The fees and expenses of the Arbitrator shall be shared equally by the parties. Transcripts shall not be required except that either party may request a transcript provided, however, that the party making such a request shall be solely responsible for the cost. Direct expenses of the arbitration shall be borne equally by the parties.

ARTICLE I - REPRESENTATION

8. Hearing Dates and Date of Award

41. Except for the expedited procedure described above, hearings shall be scheduled within thirty (30) working days of selection of an arbitrator. Awards shall be due within thirty (30) working days following the receipt of closing arguments. As a condition of appointment to the permanent panel arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.
42. Any claim for monetary relief shall not extend more than twenty (20) working days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.

9. Discipline/Discharge Grievances

43. a. The City shall have the right to discipline any non-probationary permanent, temporary civil service, or provisional employee who has served the equivalent of a probationary period for just cause. As used herein "discipline" shall be defined as discharge, suspensions and disciplinary demotion.
44. b. Suspensions, disciplinary demotions and discharges of non-probationary permanent, temporary civil service and provisional employees who have served the equivalent of a probationary period shall be subject to the following procedure:
45. 1.) The employee shall receive written notice of the recommended disciplinary action, including the reasons and supporting documentation, if any, for the recommendation.
46. 2.) The employee and any representative shall be afforded a reasonable amount of time to respond orally or in writing to the management official designated by the City to consider the reply.
47. 3.) The employee shall be notified in writing of the decision based upon the information contained in the written notification, the employee's statements, and any further investigation occasioned by the employee's statements. The employee's representative shall receive a copy of this decision.
48. c. Disciplinary action, as defined herein, may be appealed to the Employee Relations Director. An appeal will be timely if received or postmarked within fifteen (15) working days of the issuance of the Departmental decision. The Director, ERD, shall review the appeal and issue a final City decision no later than fifteen (15) days following receipt of the appeal.
49. d. If the decision of the Director, ERD, is unsatisfactory only the Union may

ARTICLE I - REPRESENTATION

file a written appeal to arbitration with the ERD no later than fifteen (15) working days following issuance of the final City decision.

- 50. e. Arbitration of Disciplinary Grievances. The parties agree that disciplinary grievances shall be heard in accordance with the following procedures, as appropriate:
- 51. 1.) Grievances involving suspensions of fifteen (15) days or less will be heard in an expedited fashion in accordance with the procedure set forth below.
- 52. 2.) Discharge grievances and grievances of disciplinary suspensions of greater than fifteen (15) days shall be heard by an arbitrator selected in accordance with the procedures in Section I.E., provided however that the parties may mutually agree to submit a discharge grievance to the expedited procedure.

10. Expedited Arbitration

The parties agree to a pilot expedited arbitration process as follows:

- 53. Grievances of disciplinary suspensions of not greater than fifteen (15) days, and grievances of contract interpretation where the remedy requested would not require approval by the Board of Supervisors shall be resolved through an expedited arbitration process; however, either party may at their option move such matters out of the expedited process to regular arbitration as provided for herein. By written mutual agreement, the parties may submit any other grievance to this expedited arbitration process.
- 54. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove him/her or for twelve (12) months, whichever comes first. A standing bi-monthly expedited arbitration schedule will be established for this process.
- 55. Seven (7) business days prior to the expedited arbitration, the parties will exchange a list of witnesses each intends to call as well as any documents expected to be introduced that have not been previously provided. If a party wishes to supplement its witness list or provide additional documents, it will identify the additional witnesses and/or provide the additional documents to the other party at least five (5) business days prior to the expedited arbitration. Other witnesses may be called and documents presented solely at the discretion of the arbitrator. The arbitrator shall hear two (2) grievances for each scheduled day of hearings. Each grievance will have a three (3) hour time limit. Each party shall have ten (10) minutes to present an opening statement and ten (10) minutes to provide a closing statement. Further, each party shall have one (1) hour to present

ARTICLE I - REPRESENTATION

its case/defense. The parties may agree to modify these time limits which may also be amended at the discretion of the arbitrator.

- 56. The parties agree not to utilize court reporters or electronic transcription. The parties further agree not to utilize post-hearing briefs.
- 57. The arbitrator will make every effort to issue bench decisions. Written summary awards will follow up bench decisions. Decisions of an arbitrator in these proceedings shall be final and binding and shall not constitute precedent in any other cases.
- 58. Except as stated herein, each party shall bear its own expenses in connection with the expedited arbitration process. Except as noted below, the parties shall share all fees and expenses of the arbitrator equally.
- 59. All arbitrators agreeing to serve in this process shall agree to a fourteen (14) day cancellation policy. Arbitrations cancelled fourteen (14) days or more prior to the date scheduled for the hearing will not be subject to a per-diem or cancellation fee. In the event that an expedited arbitration hearing is cancelled, resulting in a cancellation fee, the party requesting or causing the cancellation shall bear the full cost of the fee imposed by the arbitrator, unless a mutually agreed upon alternative is established.
- 60. If either party fails to appear for a scheduled arbitration hearing that has not been cancelled, the other party will present their case and the arbitrator will issue a bench decision based on the information presented at the hearing.

disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule.

343. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the appointing officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.
344. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available.
345. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
346. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.

III.R. LONG TERM DISABILITY

347. Effective July 1, 2001, the City shall provide to employees with six (6) months continuous service a Long-Term Disability (LTD) plan that provides, after a ninety (90) day elimination period, sixty-six percent (66%) salary (subject to integration) up to age sixty-five (65). Employees who receive payment under the LTD plan shall not be eligible to continue receiving payments under the City's Catastrophic Illness Program.

III.S. RETURN TO WORK

348. The City will make a good faith effort to return and reassign employees who have sustained an occupational injury or illness where the employee's doctor certifies that the employee is temporarily unable to perform specified aspects of his or her regular job duties. Duties of this modified assignment may differ from the employee's regular job duties and/or from job duties regularly assigned to employees in the injured employee's class.
349. Where appropriate temporary modified duty is not available within the employee's classification, on the employee's regular shift, and in the employee's department,

ARTICLE III – PAY, HOURS AND BENEFITS

the employee may be temporarily assigned to work in another classification, on a different shift, and/or in another department, subject to the approval of the Appointing Officer or designee.

350. Neither the decision to provide or deny modified duty, nor the impact of such a decision shall be subject to grievance or arbitration.
351. It is also understood that modified duty assignments are temporary only; modified duty assignments for employees temporarily unable to perform regular job duties may not exceed three (3) months. An employee assigned to temporarily modified duty assignment shall receive his/her regular base rate of pay and shall not be eligible for any other additional compensation (premiums) and/or out of class assignment pay as may be provided under this Agreement.
352. The City reserves the right to take any action necessary to comply with its obligations under the Americans with Disabilities Act, the Fair Employment and Housing Act and all other applicable federal, state and local disability anti-discrimination statutes. Requests for accommodation under the ADA or FEHA shall be governed under separate City procedures under those laws.

III.T. SICK LEAVE

1. Accumulation

353. Employees shall be entitled to accumulate all unused sick leave.

2. Pilot Wellness Incentive Program

354. The City hereby establishes a pilot “wellness incentive program” to promote workforce attendance.
355. Effective July 1, 2002, any full-time employee leaving the employment of the City upon service or disability retirement may receive payment of a portion of accrued sick leave credits at the time of separation.
356. The amount of this payment shall be equal to two and one-half percent (2.5%) of accrued sick leave credits at the time of separation times the number of whole years of continuous employment times an employee’s salary rate, exclusive of premiums or supplements, at the time of separation. Vested sick leave credits, as set forth under Civil Service Commission Rules, shall not be included in this computation.

3. Example of Calculation

357. Employee A retires with 20 years of service.
Employee A has a sick leave balance of 500 hours.

ARTICLE III – PAY, HOURS AND BENEFITS

Employee A has a base salary rate of \$25.00 per hour at the time of separation.

Wellness Incentive = 2.5% for each year of service x 20 years of service = 50%
x 500 hours = 250 hours.

250 hours x \$25.00 (base salary at time of separation) = \$6,250.00

358. The number of hours for which an employee may receive cash payments shall not exceed one thousand forty (1040) hours, including any vested sick leave.
359. A wellness incentive bonus payment shall not be considered as part of an employee's compensation for the purpose of computing retirement benefits.

III.U. PARENTAL RELEASE TIME

360. Upon proper advance notification, employees may be granted up to 40 hours Parental Leave – two hours of which will be paid leave each semester – each year to participate in the activities of a school or licensed child day care facility of any of the employee's children. Parental Leave shall not exceed eight hours in any calendar month of the year.
361. In order to qualify for Parental Leave, the employee must give reasonable notice to his/her immediate supervisor prior to taking the time off. The employee must provide written verification from the school or licensed child day care facility that he/she participated in school/child care related activities on a specific date and at a particular time, if requested by management.
362. The employee may utilize either existing vacation, compensatory time off, or personal (unpaid) leave to account for absences after the two paid hours per semester have been used. If both of the child's parents are employed by the City at the same worksite, the entitlement to a planned absence applies only to the parent who first gives notice.
363. Denial of Parental Leave under this section is not subject to the grievance process.

III.V. LIABILITY

364. The City shall defend and indemnify an employee against any claim or action against the employee or account of any act or omission in the scope of the employee's employment with the City, in accord with, and subject to, the provisions of California Government Code Sections 825 et seq. and 995 et seq. Nothing herein is deemed to supersede referenced State law.

ARTICLE IV: TRAINING, CAREER DEVELOPMENT AND INCENTIVES

IV.A. EMPLOYEE DEVELOPMENT FUND

365. The City shall budget \$250,000 during each year of this agreement for employee training, education and development. During fiscal year 2004-2005 only, the City shall increase the amount budgeted for employee training, education and development by an additional \$75,000. All funds may be used to reimburse eligible employees for qualifying expenses incurred during fiscal years 2003-2004 and 2004-2005.
366. Until such funds are exhausted, and subject to approval by the appointing officer or appropriate designee, an employee may utilize up to a maximum of \$1,000 per fiscal year for tuition, internal or external training programs, professional conferences, professional association memberships and desired licenses relevant to the employee's current classification. Solely at the discretion of the appointing officer or designee, such funds may be supplemented with department funds budgeted for training. Any employee who is entitled to reimbursement under the Employee Development Fund during the term of the MOU may apply at any time and will be reimbursed at the time funds become available.
367. These funds may not be used for travel, lodging or food. Unused funds shall not carryover beyond the expiration of this MOU.
368. Employees shall not be required to utilize these funds for Department-mandated training.
369. Notwithstanding other provisions in this Section, the City agrees to roll over unused funds from 2002-2003 into the 2003-2004 Fund in recognition of administrative difficulties utilizing the Fund in 2002-2003.
370. Administrative issues concerning the use of the Employee Development Fund shall be addressed through the UCRC.

IV.B. RENEWAL FEES FOR CERTIFICATIONS, LICENSES, OR REGISTRATIONS

371. When a certificate, license or registration is required by the City or the State as a condition of employment, the City shall reimburse the employee for the amount of the fee for the renewal of such certificate, registration or license.

ARTICLE IV – TRAINING, CAREER DEVELOPMENT AND INCENTIVES

IV.C. PROFESSIONAL ASSOCIATION MEETINGS

372. Departments shall continue their present practice with respect to the attendance by employees at professional association meetings, conferences, classes, courses, seminars and other programs, including the reimbursement of related expenses. Opportunities shall be provided in a consistent and uniform manner. Department practices shall be extended to the 2846 Nutritionist class.

IV.G. EDUCATIONAL LEAVE FOR REHABILITATION PROFESSIONALS

376. Employees in the following classes shall be granted five days of educational leave with pay per year to attend Department approved training courses, workshops and seminars. Full-time employees will become eligible for the educational leave after completion of six months of permanent employment. Part-time employees who work less than forty hours per week but more than twenty hours per week will become eligible for the educational leave after completion of one year of permanent employment. Scheduling of educational leave shall be by mutual agreement, subject to the staffing requirements of the Department.

377. The Department of Public Health, at its sole discretion, may assign employees to additional training on paid status.

ARTICLE V: WORKING CONDITIONS

V.A. HEALTH AND SAFETY

379. The City acknowledges its responsibility to provide safe, healthful work environments for City employees.
380. When an employee, in good faith, believes that a condition exists which is immediately dangerous to life or health, and that continuing to work under such conditions poses risks beyond those normally associated with the nature of the job, the employee shall so notify the supervisor and explain why he/she believes it is unsafe. If the Department agrees that the assignment is hazardous or unsafe, the employee shall be reassigned, if possible, until the hazard is eliminated or until the employee has been provided with the necessary safeguards.
381. If the Department and the employee, or his/her designated representative, do not concur, the potentially hazardous condition shall be evaluated by the departmental Occupational Safety and Health (OSH) staff, or a member of the DPH OSH Program staff, if the Department does not have professional OSH staff.
382. If the Departmental or DPH OSH staff, and the employee and his/her representative do not agree the potentially hazardous condition will be evaluated by a panel of three (3) City OSH professionals who have not been involved in either of the previous evaluations.
383. Such evaluations shall be performed by appropriate health and/or safety staff (6141 OSH Manager; 6139 Senior Industrial Hygienist; 6138 Industrial Hygienist; 5177 Safety Officer; 6130 Safety Analyst) by close of business the next business day.
384. In the event that either the employee or the Union disagrees with the evaluation of the three person panel, they may appeal to a neutral arbitrator for an expedited hearing; the arbitrator shall be selected in advance and may be an outside (non-City) health and safety expert.
385. Upon request, the City shall provide the union departmental lists on a quarterly basis containing the vital information on all work-related injuries and illnesses. Vital information shall include the nature of the illness or injury, dates, time lost, corrective action, current status of employee and work location.

V.B. ASSAULT DATA

386. Upon request of the Union, a department shall retain and provide the Union with a copy of statistical information on assaults on employees who serve in particular classifications or at particular work sites.

V.C. VIDEO DISPLAY EQUIPMENT WORKING CONDITIONS

387. The City and the Union agree that employees working on video display equipment shall have safe and healthy work environments.

388. This environment shall avoid excessive noise, crowding, contact with fumes and other unhealthy conditions. The City agrees upon request of the Union to meet and confer on ways to design the flow of work to avoid long, uninterrupted use of video display equipment by employees.

1. Eye Examinations

389. All represented employees, who are health service system members, shall be eligible for one (1) annual VDT examination and prescribed eyewear.

2. Breaks

390. Every employee working on video display equipment shall be required to take a break away from his/her screen of at least fifteen (15) minutes after two (2) hours' work. In the event that normal work schedule does not provide a lunch or rest break every two (2) hours, the employee shall be assigned duties away from the video display screen for fifteen (15) minutes after two (2) hours of work.

3. Physical Plant

391. The Board of Supervisors agrees to provide, subject to the budgetary and fiscal provisions of the Charter, the following physical equipment and work environment for users of video display equipment:

392. a. Where necessary, effective glare screens shall be affixed to the front of such machines;

393. b. Adjustable chairs, footrests and tables to allow for adjustment of individual machines to provide each operator with optimum comfort and the minimum amount of physical stress;

394. c. Optimal lighting conditions adapted to accommodate the types of equipment in use at each work site shall be provided;

395. d. Prior to the acquisition of additional or replacement machines, the City agrees to meet and consult with the Union on the design of the machines, including such features as separate keyboards, tiltable screens, phosphor colors, brightness controls and any other features relating to operator health and well being. The City will give the Union as much advance notice as possible of such changes.

ARTICLE V – WORKING CONDITIONS

4. Inspection of Machines

396. The City agrees to inspect each machine in use on a regular basis and to maintain all equipment in proper repair, state of cleanliness and working order.

5. Pregnancy

397. Upon request, the City shall attempt to temporarily reassign a pregnant employee to another position away from video display equipment for the duration of the pregnancy.

V.D. ALTERNATIVE, LIGHT AND/OR MODIFIED DUTY ASSIGNMENTS

398. The City Departments shall make good faith efforts to develop alternative assignments for disabled or pregnant employees whose doctors certify that they are temporarily unable to perform specified aspects of their regular job duties if, in the particular situation,

399. 1. There is sufficient work which the employee can perform available within the employee's job classification in the department, and

400. 2. In the opinion of the department head, assigning the work to the disabled employee or pregnant employee can be done without adversely affecting the operation of the department.

401. In the event a City-wide policy on alternative, light and/or modified duty assignments is proposed during the life of the Agreement, the parties agree to reopen this Section (V.D.) to meet and confer regarding such policy.

402. The City shall provide annual audiometric examinations in accordance with the City's Hearing Conservation Program.

V.E. EMPLOYEE ASSISTANCE PROGRAM

Employee Assistance Program Advisory Committee

403. The Employee Assistance Program Advisory Committee's purpose shall be to advise the Employee Assistance Program on matters concerning services provided by the program. This committee shall include participation by recognized employee organizations.

ARTICLE V – WORKING CONDITIONS

deemed appropriate for the purpose by the employee and his/her Appointing Officer.

405. The City agrees to provide all required safety equipment (i.e., protective eyewear, protective footwear) in compliance with Cal-OSHA regulations. Individual requests for additional equipment may be forwarded to the UCRC for further attention.

V.G. COMFORT STANDARDS

406. The City shall make good faith efforts to provide adequate lounge, locker and comfort facilities.

V.H. UNIFORM ALLOWANCE

407. Employees, excluding as-needed employees, who are required to wear and supply their own uniform or lab coat or smock in the course of their duties and who are employed on September 1 of any year covered by the Agreement, shall be paid an annual uniform allowance of \$175.00, or, in the case of lab coats or smocks, \$100.00 no later than December 1 of each year. The Department shall fix the appropriate amount for the allowance after meeting and conferring with the Union prior to September 1 of each year.

V.I. UNIFORM ALLOWANCE (COMPUTER OPERATORS)

408. For employees in the Units 8Z and 11O, when properly working on machines, the City will provide smocks for the individuals occupying positions in Units 8Z and 11O, provided, however, that only those employees presently receiving said smocks shall continue to receive them. Smocks will be replaced at the City's expense when they are unserviceable, but in any event, not more than one smock per employee per year shall be issued. Total cost to the City of this provision shall not exceed one thousand dollars (\$1,000) per fiscal year in each year of this agreement.

V.J. REIMBURSEMENT OF PERSONAL EXPENSES

409. An employee who qualifies for reimbursement of damaged, destroyed or stolen property shall submit a claim to his/her department head with all available documentation not later than thirty (30) calendar days after the date of such alleged occurrence. ARTICLE V – WORKING CONDITIONS

employee.

V.L. TELECOMMUTING

411. The City recognizes that telecommuting programs may be good public policy. The Government Efficiency Committee shall discuss the feasibility of implementing a telecommuting policy for the classifications represented by the Union, and the Committee shall prepare a joint report on telecommuting that shall explore: telecommuting policies in other jurisdictions; how telecommuting would affect employee productivity and the delivery of City services to the public; potential costs or savings that might result from telecommuting; and legal issues associated with telecommuting. Except by mutual agreement, the report shall be issued no later than December 1, 2003.
412. In continuing the joint effort to explore opportunities for telecommuting for positions in classifications represented by the Union, the City agrees to convene a telecommuting committee to develop a comprehensive policy and program regarding telecommuting. The committee shall include representatives of City departments and the Union. The committee shall be convened no later than July 31, 2004, and shall recommend a telecommuting program, including criteria, implementation procedures and where telecommuting is appropriate, to the Mayor not later than January 31, 2005. 1. A new referral or new admission is equal to two (2.0) revisits.
 2. A re-certification visit is equal to 1.5 revisits.
 3. A resumption of care visit is equal to 1.5 revisits.

ARTICLE VI: IMPLEMENTATION AND TERM OF AGREEMENT

VI.A. SCOPE OF AGREEMENT

416. Nothing contained in this Agreement shall have application to changes of Civil Service Rules excluded from bargaining pursuant to Charter Section 8.409-3, which reads as follows:
417. Notwithstanding any other provisions of this charter, or of the ordinances, rules or regulations of the city and county of San Francisco and its departments, boards and commissions, the city and county of San Francisco, through its duly authorized representatives, and recognized employee organizations representing classifications of employees covered by this part shall have the mutual obligation to bargain in good faith on all matters within the scope of representation as defined by Government Code section 3504, relating to the wages, hours, benefits and other terms and conditions of city and county employment, including the establishment of procedures for the resolution of grievances concerning the interpretation or application of any agreement, and including agreements to provide binding arbitration of discipline and discharge; provided, however that, except insofar as they affect compensation, those matters within the jurisdiction of the civil service commission which establish, implement and regulate the civil service merit system shall not be subject to bargaining under this part: the authority, purpose definitions, administration and organization of the merit system and the civil service commission; policies, procedures and funding of the operations of the civil service commission and its staff; the establishment and maintenance of a classification plan including the classification and reclassification of positions and the allocation and reallocation of positions to the various classifications; status rights; the establishment of standards, procedures and qualifications for employment, recruitment, application, examination, selection, certification and appointment; the establishment, administration and duration of eligible lists; probationary status and the administration of probationary periods, except duration; pre-employment and fitness for duty medical examinations except for the conditions under which referrals for fitness for duty examinations will be made, and the imposition of new requirements; the designation of positions as exempt, temporary, limited tenure, part-time, seasonal or permanent; resignation with satisfactory service and reappointment; exempt entry level appointment of the handicapped; approval of payrolls; and conflict of interest. Nothing in this paragraph shall limit the obligation of the civil service commission to meet and confer as appropriate under state law.

VI.B. SAVINGS CLAUSE

418. Should any part of this Memorandum be determined to be contrary to law, such invalidation of that part or portion of this Agreement shall not invalidate the

ARTICLE VI – IMPLEMENTATION AND TERM OF AGREEMENT

remaining portions hereof. In the event of such determination the parties agree to immediately meet and confer in an attempt to agree upon a provision for the invalidated portion which meets with the precepts of the law.

419. Any term of condition of this Agreement which conflicts with the Fair Labor Standards Act, Title U.C.C. Sections 201 et seq. and/or the rules and regulations thereof, shall be null and void so long as said Act and/or the rules and regulations thereto continue to be applicable to the City and County of San Francisco. Should any dispute over the application of the Act occur, the parties agree to meet and confer to resolve the dispute before taking other action.

VI.C. AMENDMENT OR MODIFICATION

**CAPITAL PROJECTS MOU ADDENDUM
TO THE 2003-2006 MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY AND COUNTY OF SAN FRANCISCO AND
THE INTERNATIONAL FEDERATION OF PROFESSIONAL
AND TECHNICAL ENGINEERS, LOCAL 21, AFL-CIO**

Introduction

San Francisco faces an unprecedented challenge: to restore its aging water system to ensure a reliable Bay Area water supply and avoid system outages which could be caused by natural disasters. The City faces similar challenges in maintaining, restoring, and improving other essential City infrastructure components.

The parties recognize that achievement of this goal requires an extraordinary level of labor-management cooperation, and that disagreements regarding contracting out, terms and conditions of employment, hiring and promotion methods, and other matters have the potential to interfere with implementation of the City's capital projects. The parties further recognize that the success of the City's capital projects will require new and innovative approaches in many employment-related areas including recruitment, hiring, promotion, training, work rules, compensation, evaluation, and management.

The purpose of this Agreement is to promote the efficiency of design, construction management and project management operations for the City's capital projects and provide for efficient resolution of labor disputes and grievances, thereby promoting the public interest in assuring the timely and economical completion of capital projects.

Findings

WHEREAS, the City is or will be engaged in a number of significant capital projects in the coming years which will require that work proceed in an efficient manner without delay or disruption because of disagreements between the City and the Union; and

WHEREAS, the largest capital project the City faces is the modernization and repair of the Hetch Hetchy water supply system;

WHEREAS, the voters passed Propositions A and E, ensuring that funding is available to complete this ambitious program in a timely manner; and

APPENDIX C

WHEREAS, the voters have found that “the protection, maintenance and repair of the [Hetch Hetchy water supply] system are among their highest priorities”; and

WHEREAS, the PUC CIP consists of approximately 38 infrastructure improvement projects for regional water and approximately 39 infrastructure improvement projects for local water and may in the future also consists of a Clean Water Improvement Program and a Repair and Replacement Program; and

WHEREAS, successful completion of the PUC CIP is of the utmost importance to the general public in the San Francisco Bay Area and the state; and

WHEREAS, the Public Utilities Commission (PUC), the Department of Public Works (DPW) and the Department of Human Resources are strategic partners on the PUC CIP and have entered into MOUs memorializing their agreements to share responsibility for completion of the PUC CIP; and

WHEREAS, successful completion of City capital projects is of the utmost importance to the general public; and

WHEREAS, the interests of the general public, the City and County of San Francisco and IFPTE, Local 21 are best served if the work on all capital projects proceeds in an efficient manner without delay or disruption because of disagreements between the City and the Union; and

WHEREAS, the City and the Union desire to establish specific and unique terms and conditions of employment to ensure the City's capital projects are completed with utmost quality, with in-house staff to the greatest extent practicable and on-time and on-budget; and

WHEREAS, through this Agreement, the City and the Union desire to encourage close cooperation which ensures that a satisfactory and harmonious relationship will exist among the parties; and

WHEREAS, the current collective bargaining agreement between Local 21 and the City shall be amended by the Board of Supervisors to incorporate this Agreement; and

WHEREAS, this Agreement shall not replace, interfere, abrogate, diminish or modify the terms and conditions of the parties' existing collective bargaining agreement except as specifically amended; and

WHEREAS, the parties signatory to this Agreement pledge their full good faith and trust to work towards a mutually satisfactory completion of the City's capital projects.

procedure.

- 2.4.3 This agreement shall not apply where acceptance of funding from a state or federal agency precludes its application.

ARTICLE III – STAFFING

3.1 Principles

- 3.1.1 The parties agree that in order to maximize City employment opportunities, it is necessary to hire and promote highly qualified employees quickly and efficiently. The parties acknowledge that many employees involved in capital projects possess state licenses in engineering, architecture and other specialties; such licenses often establish a candidate's minimum qualifications for employment; and, with respect to licensed professionals, employment and promotional decisions are best addressed at the departmental level.
- 3.1.2 The parties agree that the hiring methods employed on the CIP and other capital projects throughout the City should be fair, should honor the merit system, should command public confidence, and should be focused on creating a talented city workforce.
- 3.1.3 The parties agree that this Article covers matters within the jurisdiction of the Civil Service Commission and shall be administered subject to Civil Service Commission Rules and procedures.

3.2 Hiring

- 3.2.1 Continuous Testing. As permitted under Civil Service Rule III, the union agrees to the use of continuous testing for all classes covered by this agreement.
- 3.2.2 Certification Rules. In accordance with Civil Service Rule 113, the parties agree to the following certification rules for covered classes:
- a. Rule of the List. Classes 5211 (Senior Engineer), 5212 (Principal Engineer), 5270 (Senior Architect), 5273 (Principal Architect) and 5275 (Senior Landscape Architect) shall utilize the Rule of the List.
 - b. Rule of Seven scores. Classes 5174 (Administrative Engineer), 5241 (Engineer), 5268 (Architect) and 5274 (Landscape Architect) shall utilize a ranked list and the Rule of Seven scores.

- c. Rule of Five scores. Classes 5266 (Architectural Assistant II) and 5272 (Landscape Architect Associate II) shall utilize a ranked list and the same certification rule (Rule of Five scores) currently used by Class 5207 (Associate Engineer).
 - d. Rule of Three scores. Classes 5260 (Architectural Assistant I), 5261 (Architectural Assistant II), 5262 (Landscape Architectural Associate I) and 5265 (Architectural Associate I) shall utilize a ranked list and the same certification rule (Rule of Three scores) currently used for Class 5201 (Junior Engineer) and Class 5203 (Assistant Engineer).
 - e. Other Covered Classes. Consistent with Civil Service Rules, the basic certification will be Rule of Three scores unless the parties mutually agree to a broader certification rule. All other covered classes shall continue to utilize existing certification rules. All certification rules may be modified by mutual agreement.
- 3.2.3 Selection by Appointing Authority. In accordance with Civil Service Rule 113, the Departments shall apply merit-based criteria in considering all qualified candidates for a position including procedures similar to those utilized for provisional hiring. Such procedures shall be developed, promulgated and distributed by the Department of Human Resources.
- 3.2.4 MTA. In accordance with Charter Section 8A.104, MTA's human resources director assumes the powers and duties of the City's Director of Human Resources, including those related to testing, certification and selection, for service critical classes at MTA.
- 3.2.5 Appeals. Nothing herein shall waive an employee's right to pursue available remedies before the Civil Service Commission in accordance with Civil Service Commission Rules. The Union agrees not to appeal to the Civil Service Commission the utilization of continuous lists or the application of the certification rules set forth in this Agreement. Neither hiring decisions nor any other provision of this Section shall be grievable under either the provisions of this Agreement or the parties' MOU.

3.3 Technical Engineers

- 3.3.1 The parties agree that employees in technical engineering classifications are necessary and critical to the successful completion of the CIP. The parties pledge to explore within the CIP career opportunities that recognize and reward their high levels of skills, experience, education and responsibilities. Therefore, the City and the Union agree to undertake a utilization study of the technical engineering classifications.

3.3.2 The objectives of a utilization study shall be as follows:

- a. Audit the current use of technical level positions;
- b. Audit the current work processes;
- c. Identify typical uses of these positions in other Engineering organizations;
- d. Identify opportunities to increase the utilization of technical level positions;
- e. Identify other issues that involve the utilization of these positions;
- f. Recommend changes in the use of the positions that could impact the classification and compensation plan.

3.3.3 Advisory Committee

- a. The study will be conducted by an independent consultant and be managed by the City in conjunction with an advisory committee.
- b. The committee shall continuously oversee the study and make recommendations with regard to:
 - (i) Study design
 - (ii) Preparing the RFQ and/or RFP
 - (iii) Selection of an expert contractor
 - (iv) Ongoing project communications
 - (v) Preliminary and final project reports
 - (vi) Consideration and potential implementation of study recommendations
- c. The committee shall consist of representatives from major user departments, the Department of Human Resources and the Union. The committee may also utilize Dr. Rhonda Evans from the Center for Labor Education and Research at UC Berkeley and technical engineering studies she has previously completed on behalf of the union.
- d. The committee shall commence to meet not later than 30 days after ratification of this Agreement.

3.3.4 Request for Proposal

- a. The RFP/RFQ process for the study will be advanced as expeditiously as possible, subject to project staffing and city contracting requirements.

- b. The RFP/RFQ shall require that the selected consultant complete the study in approximately ninety (90) days from project inception.
- 3.3.5 Salary Comparability Study. The City and the Union agree to complete a salary study for technical engineering classes no later than March 30th, 2004. Results and findings may be considered during negotiations if either party wishes to re-open for 2004-2005 of the current agreement or during negotiations for a successor MOU effective July 1, 2005.

ARTICLE IV – CONTRACTING

4.1 Principles

- 4.1.1 The parties commit to delivering the CIP and related projects with the highest quality and on-time and on-budget.
- 4.1.2 The parties commit to use in-house staff to perform engineering, planning, architectural, construction management, program management and project management work where feasible and practicable given the needs and schedule of the CIP and related projects.
- 4.1.3 The parties agree that contracting-out may be necessary in some circumstances and that disagreements over decisions to contract-out shall be fact-based and shall utilize the criteria set forth herein.
- 4.1.4 The parties acknowledge that the process set forth herein is intended as a pilot designed to improve communication and decision making with regard to contracting issues at PUC and DPW.
- 4.1.5 The parties acknowledge that this is a pilot process limited to contracting decisions at PUC and DPW, but mutually desire that successful outcomes will motivate other City departments to utilize this pilot process or related processes for contracting decisions.

4.2 Standards for Contracting-Out. The parties recognize that under Civil Service Commission guidelines contracting-out work may be necessary for the following reasons:

- 4.2.1 Specialized Expertise. The City may contract-out specialized services for which City staff do not possess the necessary specialized skills or experience.

- 4.2.2 Peak Workloads. The City may contract-out to address temporary peak workloads. Temporary peak workloads are situations where City staff are capable of providing needed services, but sufficient staff are not available to meet project deadlines and the work is not forecasted to be sufficient to sustain the hiring of additional, qualified permanent employees without risk of layoff or displacement.
- 4.2.3 Emergencies and/or Unanticipated Events or Delays. The City may contract-out work necessary to address emergencies, unanticipated events or delays.
- 4.3 Process for Contracting-Out. The City commits to engage in the following process with the Union before issuing an RFP/RFQ for outside engineering, planning, architectural, construction management, program management and project management or related services:
- 4.3.1 Specialized Expertise. Before determining the RFP/RFQ is necessary because the City lacks specialized expertise to handle specialized work or projects the PUC and DPW will:
- a. Poll other City departments to see if such specialized expertise exists;
 - b. Engage in forecasting with other City departments to assess whether an in-house position with the specialized expertise can be supported;
 - c. Post the need for specialized skills on email or other systems to enable in-house employees to apply for specialized positions;
 - d. Determine the extent to which on-going training by City-staff and existing contractors to employees seeking new skills or job opportunities can mitigate the need to rely upon additional contractors for such specialized expertise;
 - e. To the extent applicable, use information contained in the PUC-developed Skills Bank to determine staff availability and training needs.
- 4.3.2 Peak Workload. Before determining the RFP/RFQ is necessary to address a peak workload, the PUC and DPW will engage in forecasting with other City departments to determine whether the City can sustain the hiring of additional permanent employees without risk of layoff or displacement.

Before determining the RFP/RFQ is necessary to address emergencies, unanticipated events or delays, the PUC and DPW will articulate to the union, in writing, the nature of the emergency or unanticipated delay and explain how the RFP/RFQ is designed to cure that emergency or unanticipated delay. For emergencies that imminently threaten health

and safety, the procedures set forth in this Article shall be followed at the earliest practicable time after imminent health and safety concerns have been addressed.

4.3.4 The PUC and DPW will endeavor to regularly present its contracting needs to the JUCC Staffing and Contracting Subcommittee with as much advance notice as practicable. At a minimum, the PUC and DPW will notify the Subcommittee, by providing a draft RFP/RFQ, at least 11 working days prior to publicly advertising or requesting Civil Service Commission approval (whichever is earlier) for an RFP/RFQ for engineering, planning, architectural, project management, program management, construction management or related services, unless such minimum period is waived by Local 21. In the notice, the PUC and DPW will identify the need for such contracting consistent with the criteria in Sections 4.2 and 4.3. The Subcommittee will meet to discuss the rationale for contracting-out within five working days of notice being provided. The Subcommittee may recommend modifications or alternatives to such contracting, provided that such recommendations or alternatives be forwarded to the Assistant General Manager for Infrastructure at PUC or the Deputy Director of Engineering at DPW within 11 working days of notice, except by mutual agreement.

APPENDIX D: MTA PERFORMANCE INCENTIVE PROGRAM

June 20, 2001

(Revised February 21, 2003)

A Performance Incentive Program is established for “service-critical” employees at the Municipal Transportation Agency (MTA) in each of the following Occupational Groups:

- **Maintenance Group**
- **Operations Group**
- **Administration Group**

Service Standards are developed for each Occupational Group, and Performance Goals are established for each Service Standard. Service-critical employees responsible for achievement of Performance Goals are identified for each goal.

SERVICE STANDARDS

The following Service Standards are established for each Occupational Group:

MAINTENANCE GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Increase vehicle miles between road calls by mode.
3. Total number days of unscheduled absences.
4. Total number of lost days due to industrial injury/illness.

OPERATIONS GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Percentage of scheduled hours delivered.
3. Total number days of unscheduled absences.
4. Total number of lost days due to industrial injury/illness

ADMINISTRATION GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Total number days of unscheduled absences.

HOW PROGRESS IS MEASURED

Performance Goals will be developed each fiscal year for the above listed Service Standards. For each Performance Goal, a Mode and/or Division Goal may be established. Progress toward achievement of these Performance Goals will be tracked and measured each fiscal year. A “Qualifying Fiscal Year” is defined as follows:

- July 1, 2003 – June 30, 2004
- July 1, 2004 – June 30, 2005

When Performance Goals are achieved, Incentive Bonuses will be paid to eligible employees in each Occupational Group at the end of a fiscal quarter during which goal(s) were achieved. A “Qualifying Fiscal Quarter” is defined as follows:

- 1. July 1, - September 30
- 2. October 1, - December 31
- 3. January 1, - March 31
- 4. April 1, - June 30

INCENTIVE BONUSES

Incentive Bonuses will be paid quarterly based on Occupational Group achievement of one or more of the Performance Goals established for each Service Standard. Separate bonuses will be paid based on achievement of overall Occupational Group Goals and/or Mode or Division Goals.

Incentive Bonuses will be paid to each eligible “service-critical” employee of an Occupational Group following a Qualifying Calendar Quarter during which a group goal(s) were achieved. Bonuses will be paid no later than sixty (60) calendar days following the end of a Qualifying Calendar Quarter during which group goals were achieved. Incentive Bonuses will be itemized and paid by check to each eligible group member, after deducting applicable federal and state taxes.

Incentive Bonuses shall not be considered as part of an employee’s compensation for the purpose of computing retirement benefits.

Incentive Bonuses will be paid to eligible “service-critical” employees based on the achievement of Occupational Group and/or Mode/Division Goals as follows:

OVERALL GROUP GOALS

Number of Goals Achieved	Quarterly Bonus
Four (4) Group Goals achieved	\$150.00
Three (3) Group Goals achieved	90.00
Two (2) Group Goals achieved	60.00
One (1) Group Goal achieved	30.00

MODE/DIVISION GOALS

Number of Goals Achieved	Quarterly Bonus
Four (4) Mode/Division Goals achieved	\$225.00
Three (3) Mode/Division Goals achieved	150.00
Two (2) Mode/Division Goals achieved	90.00
One (1) Mode/Division Goals achieved	60.00

ELIGIBLE EMPLOYEE CRITERIA

To be eligible to receive payment of an Incentive Bonus, an employee must have actually worked a minimum of 400 hours in each Qualifying Fiscal Quarter, and not have sustained discipline of a suspension or higher. Authorized absences including vacation, legal holidays, and floating holidays shall be considered as “time worked” when computing actual hours worked.

GOAL MONITORING AND MEASUREMENT

Performance Goals will be monitored, measured, and reported in the San Francisco Municipal Railway “Services Standards” Quarterly Report.

SENIOR MANAGEMENT AND SENIOR ADMINISTRATIVE CLASSIFICATIONS

When more than one goal is achieved, the amount of Incentive Bonuses for “service-critical” senior level management and senior administrative classifications with multi-divisional or multi-mode responsibility will be determined by the General Manager in his/her sole discretion. Classifications so affected are identified for each goal.

**MTA
ATTENDANCE INCENTIVE PROGRAM
(Non Transit Operator personnel)**

March 16, 2001
(Revised February 21, 2003)

The following Attendance Incentive Program is established for non Transit Operator, “service-critical” employees at the Municipal Transportation Agency (MTA).

This MTA Attendance Incentive Program is available to “service-critical” personnel in Groups A and B as indicated on Exhibits A and B, and is offered separate and apart from any Wellness or Sick Leave “cash out” program the City may offer. The benefits of this program are not vested, and are only available to employees while in active employment status at the MTA. MTA employees who take employment in other City departments lose the benefits of this program upon the effective date of such non-MTA employment.

ANNUAL SICK LEAVE “CASH OUT”/TIME OFF OPTIONS

If at the end of a “Qualifying Calendar Period” a full-time “service-critical” employee has not used more than a total of forty (40) hours (part-time “service-critical” employees twenty (20) hours) of sick leave, with or without pay, and or Disability Leave, and in addition has not been absent from work due to either Absence Without Leave (AWOL), leave without pay, or disciplinary suspension, may convert sick leave hours to “cash” or “time off” based on their accrued sick leave balance as shown below.

FULL-TIME QUALIFYING BALANCE	GROUP A “CASH OUT”	GROUP B TIME OFF
240 hours or more sick leave balance	40 hours	3 days
PART-TIME QUALIFYING BALANCE	GROUP A “CASH OUT”	GROUP B TIME OFF
120 hours or more sick leave balance	20 hours	2 days

Attendance Incentive Bonuses shall be paid to each qualifying employee no later than one (1) calendar month following the end of the Qualifying Calendar Period.

Employees in the groups eligible for the “time off” option shall be allowed to take their days off within ten (10) calendar months following the end of the Qualifying Calendar Period. The days off may be taken in single day increments or all at one time, subject to department/section scheduling.

NOTE: All sick leave hours “cashed out” or “taken off” shall be deducted from an employee’s total sick leave balance, however sick leave hours “cashed out” or “taken off” shall not count towards the forty (40) hours of sick leave used during the “Qualifying Calendar Period” above.

QUALIFYING CALENDAR PERIOD

For purposes of this Attendance Incentive Program a “Qualifying Calendar Period” is defined as follows:

July 1, 2003 – June 30, 2004

July 1, 2004 – June 30, 2005

Sick leave hours “cashed out” shall be paid based on the employee’s “base hourly rate,” exclusive of any other premiums. The aforementioned incentive “cash out” premium shall not be considered as part of an employee’s compensation for the purpose of computing retirement benefits.

**APPENDIX E: CIVIL SERVICE RULES & GLOSSARY, LEAVES OF ABSENCE
PROVISION**

CIVIL SERVICE RULES

The parties have identified certain matters set forth in the current Civil Service Rules which are subject to negotiation pursuant to Charter Section 8.409-1 et. seq. Those portions of the current rules so identified are set forth in full as part of Appendix D. The parties further agree that during the term of this agreement disputes regarding only those portions of the rules set forth in full as part of Appendix D herein shall be subject to the grievance procedure.

Civil Service Rules in their entirety are available for inspection at the offices of the Civil Service Commission, 25 Van Ness Avenue, 8th Floor, San Francisco, CA and the Union office, 1182 Market Street, Room 425, San Francisco, CA.

TRANSFERS

- C. Appointees accepting a new appointment by transfer shall give a minimum period of notice prior to separation from their current department of fifteen (15) working days unless the current department approves a shorter period of notice.

TRANSFER FROM POSITION NOT FULL-TIME

A permanent appointment to a part-time position or a position not full-time on an annual basis for one (1) year, may request transfer to a regular full-time position.

TRANSFER OF DISABLED

- F. Probationary Period following Disability Transfer

A disability transferee shall serve a probationary period of six (6) months of service.

TRANSFERS OCCASIONED BY REDUCTION OF FORCE DUE TO TECHNOLOGICAL ADVANCES, AUTOMATION, OR THE INSTALLATION OF NEW EQUIPMENT

- A. Permanent civil service employees who have completed their probationary period and who are subject to layoff because of technological advances, automation, the installation of new equipment, or the transfer of functions to another jurisdiction may submit a request to the Human Resources Director for transfer to a position within their capacities to perform, whether or not within the classification for which they qualified for appointment. Such request for transfer shall be subject to the following:
- B. The position to which transfer is requested shall not be to a classification having a higher compensation schedule than the one from which transfer is requested. Computation shall thereafter be calculated in accordance with the provisions of this Agreement.
- E. Seniority shall be calculated from the date of certification in the classification from which transferred.
- G. In the event that more than one approved transfer to the same classification is on file in the Human Resources Department, preference shall be given to the employee who has the longest service under civil service permanent appointment in the classification from which layoff is to be made.

**TRANSFERS OCCASIONED BY THE TRANSFER OF FUNCTIONS
FROM ONE DEPARTMENT TO ANOTHER**

When part of the functions and duties of any department are transferred to another department, employees shall retain in their new department the same salary and seniority as they had in the department from which transferred.

LIMITED TERM TRANSFER

B. The purpose of a limited term transfer is to more efficiently utilize and exchange manpower resources among the departments of the City and County, to allow employees exposure and training in other department, and to provide a mechanism for reducing staffing levels during slow periods or periods of fiscal emergency and to temporarily increase staffing during peak periods.

C. Types of Limited Term Transfers

1. Voluntary:

A limited term transfer may be initiated on the written request of an employee on the form prescribed by the Human Resources Director.

2. Mandatory:

A permanent or probationary employee may be transferred by the employee's appointing officer for a specified period up to an maximum of six (6) months in any calendar year to a position in the same class under another appointing officer.
